NMIT is now the new Melbourne Polytechnic!

For over 100 years, NMIT has been at the forefront of vocational education. As Melbourne Polytechnic, we're committed to growing our learning pathways and programs, aligning with today's education market and offering you a career-focused holistic learning experience.

Melbourne Polytechnic gives you the power to rule your world through a diverse range of innovative, hands-on practical skills and modern theoretical learning.

We offer the perfect combination of higher education and vocational learning, delivered by teachers with real-world experience and expertise and will give you the knowledge and skills to leap into an evolving and challenging marketplace.

We are the first to offer this style of contemporary education in Victoria, providing you with direct pathways from Certificates through to degree level.
