**FASHION & TEXTILES**

Fashion Design  
Millinery Design  
Jewellery

It's an exciting time to be studying fashion at TAFE Queensland Brisbane with students taking off for the far reaches of the globe on a series of international study tours to New York, India and Hong Kong in 2015. TAFE Queensland Brisbane offers an Applied Fashion Design and Technology pathway from certificate III through to advanced diploma, plus short courses and accredited training in Millinery and Jewellery Manufacture. These courses will give you the necessary skills, knowledge and techniques required to work in the design, manufacturing or retail areas of these industries. Students also showcase their creations at an annual fashion extravaganza to culminate their study experience.

NEW IN 2015: Students can take their training further with a Bachelor of Fashion (Apparel Engineering and Design) offered in conjunction with the University of Canberra in 2015.
