Billy Blue College of Design is a member of Laureate International Universities (LIU), a leading international network of quality, innovative institutions of higher education. In 2015, Billy Blue College of Design teamed up with Torrens University Australia which means all students will graduate with a university qualification. As a leading design college with unique purpose built facilities in Sydney, Brisbane, Melbourne and Perth it prides itself on providing a learning environment where students can experiment and investigate their expressive potential as visual communicators. Students are coached by industry practitioners and academics to understand the rigour required to fold personal ideals and expression into professional demands of the field. FEE-HELP is available to Australian citizens.
