The Centre of Interactive Media and Arts at Chisholm is widely acclaimed for its innovative teaching practice, staff expertise and facilities. The focus on employment opportunities and strong links with industry ensure the range of courses on offer support creativity, and the conceptual and entrepreneurial skills that students require to succeed in a competitive national and global environment. Our Stud Road and Lonsdale Street (Chisholm at 311) campuses are situated in Dandenong approximately 30 km east of Melbourne. Chisholm at 311 is a state-of-the-art facility custom-made for interactive media and game design programs including our Bachelor Degree in Interactive Media Design. The Frankston campus is situated approximately 45km south of Melbourne and offers highly regarded Visual Art and Art Therapy programs. The campuses are easily accessible by public transport. There are defined pathways between courses that reinforce diversity, specialty, multi-skilling and individual support of student career and educational goals.
