For 25 years FashionMasters, formerly known as the Melbourne School of Fashion, has been successfully producing some of the greatest fashion talent in the Australian industry. Our unique Bachelor of Fashion & Business program caters to the ever-evolving needs of the fast-paced fashion world by thoughtfully balancing fashion design and fashion business components. FashionMasters' modern campuses in Sydney and Melbourne offer a boutique learning environment where students are guided by experienced industry professionals. This hands-on and practical approach to education ensures our graduates are in high demand post study.
