Located in the vibrant arts precinct of trendy Southbank, Melbourne Photography Studies College (Melbourne) is Australia's only tertiary institution specialising exclusively in photography. We are a multi award winning educator acknowledged nationally by industry for excellence in photographic education for the 5th consecutive year. We deliver a range of real world Degree and Diploma courses, pathway programs, international guest speakers, student exhibitions and have expert teaching staff. We are proud to showcase our graduates outstanding quality, technical excellence and imaginative vision on this page.
