TAFE NSW Riverina Institute offers professional programs with strong industry links in visual arts, digital media and graphic design. All programs are delivered by practising artists who are highly regarded for their skills and talents. Programs are time rich, hands on and studio based and are all underpinned by broad skills development. They are also unique in providing the face to face studio work. Students may study at Charles Sturt University and Riverina Institute concurrently, leading to both a Diploma and Advanced Diploma of Visual Arts and a Bachelor degree through our Pathways programs.
