Certificate IV: Graphic Design

If you're serious about becoming a graphic designer you need to be able to produce commercially viable work to tight deadlines using industry standard software. The Shillington Graphic Design Course teaches technical and conceptual design skills from practising graphic designers and ensures that students graduate with a professional portfolio of work. In 3 months full-time or 9 months part-time students are ready to land their first design role.

The Graphic Design Course is constantly evolving to suit industry requirements and has the input of many professional designers on a global scale.

Shillington has campuses around the world. Choose to study graphic design in Sydney, Melbourne, Brisbane, London, Manchester or New York.
