

BUILT ENVIRONMENT

Interior Design
Interior Decoration

Meaningful design, practical projects, hands-on learning and collaboration with the design profession characterise the interior design courses at DCE. Our success is built upon preparing our graduates to excel in the fast-paced and highly competitive creative labour market.

We offer three courses with a range of study options:

- Bachelor of design (interior design)
- Advanced diploma in interior design
- Diploma in interior design and decoration

Studying with us will challenge your perceptions, enrich your perspective and excite your imagination. And all our courses are recognised by the Design Institute of Australia (DIA) ensuring that you graduate with the professional skills needed for employment.

- 1 Tristan Santos, Multi-residential design project
- 2 Rebecca Schieler, Adaptive re-use project
- 3 Sophie Heffernan, Café design project
- 4 Tayla Fasano, Residential Design project
- 5 Monica Bird, Workplace design project
- 6 Michael Curtis, Retail design project
