Visual Merchandising

The Diploma of Visual Merchandising is designed to provide students with skills required to work in the retail industry as a visual merchandiser for a major department store or specialty retailer. The course also provides students with skills to work as a stylist in either the fashion or homewares fields.

Floristry

Certificate II (Florist Assistant) - In this course you will learn about the varieties of floristry products, how to care for flowers and plants, sourcing stock, and creating displays, bouquets and centrepieces.

Certificate III - CRICOS No: 089585A
In this course you will develop drawing techniques to sketch your designs, create hand-tied, wired or base-set bouquets, prepare quotations and sell floristry products.

Certificate IV - In this course you will develop business skills, front line management skills and skills in advanced floristry design.

- 1 *Adventure On!* Vintage Inspired window installation
